

Filtration and Fluid Control Products

Fluid Energy Controls specializes in the distribution of process filtration, fluid control products, liquid handling equipment, pumps and systems.

find applications in various industries, from chemical and petrochemical, to photo processing and semiconductor, from metalworking and paint, to food processing and beverage.

Our process filtration products, equipment and components

Process Filtration

- FINITE Compressed air and gas filtration systems and products
- PARKER A complete line of fluid filtration products
- OSMONICS Separation, filtration and fluid handling equipment. Complete reverse osmosis and water purification systems
- US FILTRATION AND SEPARATION Filtration and separation filter cartridges, pressure vessels and systems
- FACET USA Industrial filters, coalescers, separators and filter cartridges
- AMETEK - PLYMOUTH FILTRATION PRODUCTS / U.S. FILTER Filter housings and filter cartridges for industrial filtration.
A complete line of reverse osmosis systems for industrial water purification systems

Pulsation and Surge Control Products

- GREER HYDRAULICS Bladder type surge suppressors and accumulators
- FLUID ENERGY CONTROL FEC liquid pulsation dampeners and stainless steel surge suppressors
- BLACOH FLUID CONTROL Polypropylene, PVDF, Teflon pulsation dampeners
- AMTROL Bladder-type surge arrestors, pressure booster systems
- FLEXICRAFT Stainless steel metal-bellows type pulsation dampeners and surge suppressors

Pumps & Systems

- WILDEN PUMPS Air-operated double diaphragm pumps
- CAT PUMPS Triplex pumps for high pressure water and liquid handling systems
- BLUE WHITE Low pressure chemical metering pumps and flowmeters
- TELEDYNE SPRAGUE Air-driven hydraulic pumps and gas boosters, specialty valves, and accessories
- SHERWOOD/HYPRO Stainless steel, bronze and cast iron gear pumps, flexible impeller pumps
- TONKAFLO PUMPS Noryl and 316 SS multistage booster pump-motors
- FEC PUMP SYSTEMS Custom designed pump systems, mounted and ready for operation

Valves and Accessory Products

- WIKA Bronze, stainless steel pressure gauges in various sizes, pressure ranges and configurations
- PARKER Airline units, filters, regulators, lubricators. Brass and stainless steel valves
- STAUFF High pressure ball valves, filters, clamps, tube fittings and flow measuring systems
- LANCE Ball valves in bronze, 316 stainless steel, and carbon steel construction
